<NOTE: 1st Semester Final Examinations>

During the "Olympic and Paralympic Games Tokyo 2020" period, it is expected that there will be difficulties in accessing the campus due to transport congestion and special regulations affecting areas surrounding competition venues.

Taking this into account, Aoyama Gakuin University has decided not to hold classes or regular examinations during the Olympic (July 24 ~ August 9) / Paralympic (August 25 ~ September 6) periods.

Please note that several courses may have examinations during the preliminary examination period for the 2020 spring semester.
